### HISTORY

Awesome Studebaker Commander for the Carrera Panamericana with exceptional colour specially prepared by Efrain VEGA's team, one of the best Mexican teams providing their excellent service and experience for such a race.

This specific car would win its category twice instantly, once even the overall rankings.

In 20 years, Efrain VEGA was the team supporting the winners 14 times, this speaks words on how they optimally prepare and take care of the cars during the races.

The car can be visited with the team in Mexico city, it is kept and maintained with great attention, prepared and ready for the next race.

It is prepared corresponding to the Turismo de Producción rules of the PAN AM race: 5 liters, 420 hp, 4 speed gear box, Max speed about 280 km/h, OMP seats, Head set system, strong roll cage and many more specifications making it the ideal racecar for these stunning races.

The scenery and thrill of the Carrera Panamericana and all races alike is sure to take your breath away.
